Support for Research Project – AI-Driven Decision Support System for Tomato Cultivation in Sri Lanka

This letter is to confirm that the Department of Agriculture, under the guidance of the Deputy Director of Agriculture, is extending its support to the research project titled "An AI-Driven Decision Support System for Tomato Cultivation in Sri Lanka", conducted by Mr. Gabilan and his team.

We acknowledge that relevant agricultural information and domain knowledge have been shared with the research team for the purpose of this study. Furthermore, we have provided assistance in reviewing and validating the dataset to ensure its accuracy and reliability.

We are pleased to support this research initiative and will continue to offer our guidance where necessary to facilitate the successful completion of the project. We wish the team every success in their research.

Thank you.

Srirga
